

Zong

Game Designer & Programmer

First, I am a player. Then, I am a developer. And above all, a gameplay researcher.

[✉ Email](#)[📺 Bilibili](#)[🌐 Blog](#)[🎮 Steam](#)

Experience & Education

Above the Rift

Solo Developer UE

A Zelda-like action-adventure game featuring parkour mechanics, exploration, and puzzle-solving in a fantasy world.

- Action-Adventure
- Zelda-like
- Puzzle

Rolling Rolling

Solo Developer Unity

A party game with local and online multiplayer support for chaotic fun with friends.

- Party
- Multiplayer
- Online

Group Projects

Game jam collaborations and team-based projects

1000, Action!

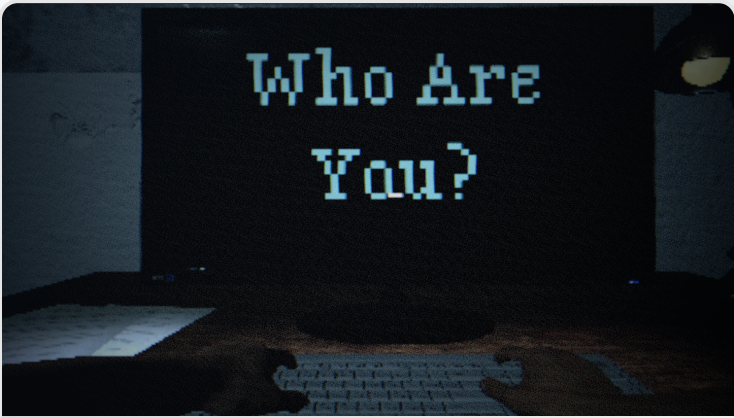

Gameplay Designer & Lead Programmer [Unity](#)

An award-winning puzzle game. Winner of Best Game Design and Most Innovative at

Peng-Win!

Lead Programmer & Technology Artist [Unity](#)

A puzzle game created during a game jam featuring a penguin navigating icy platforms.

Who Are You?

Lead Programmer & Technology Artist [Unity](#)

A horror game created during a game jam featuring custom shaders and atmospheric gameplay.

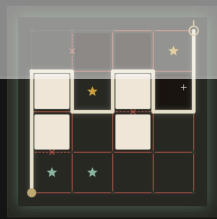

- Psychological Horror
- 3D
- Visual Novel
